Title: Ricardo's Research 2

Author: Ricardo.

This be me second secret
hiding place o' me
research into the words
o' power what will open
Lord British's Vault.

I be thinking this vault
be somewhere in his royal
castle. I can only imagine
the treasures that await
me thar, it makes me
giddy to think on it and I
must put those thoughts
aside.

Me precious second word
o' power be 'sanct'.
